CIRCLE

B"H

Friendship Circle is a non-profit organization providing programs and support to the families of individuals with special needs. In addition to assisting individuals with special needs, the Friendship Circle enriches its vast network of volunteers by enabling them to reap the rewards of selfless giving.

Together,
we can
perform
miracles!

Provider for Respite Services**

Friends at Home

The Friends at Home program gives children a chance to get to know their volunteers in an environment they are most comfortable in: their own homes. Together, they bake cookies, play games, create arts & crafts, play in the snow, read books – just about anything fun! With so much to look forward to at these visits, it is no wonder the children wait all week for their volunteers to show up!

Moms' Night Out

Moms' night out brings together moms of the Friendship Circle. At these events, professionals in the field of special needs lecture and highlight insights regarding children with special needs. Participants talk and enjoy a great atmosphere of camaraderie, compassion and support.

Sports League

The sports league offers a variety of sports clinics for children with special needs. The sports include a fall Soccer Circle, tennis lessons and many more. With plenty of energetic volunteers on hand to assist children, this program is something your child would not want to miss.

Sunday Circle

Sunday Circle is a monthly program on Sunday afternoons where children, qualified professionals and loving volunteers come together for a fun and educational experience. Activities include music and movement, karate, art, circle time and snacks. A parents' lounge allows Friendship Circle parents to connect.

Summer Camp & Winter Camp

The Friendship Circle's Summer and Winter Camp allows children with special needs the opportunity to taste a full action-packed camp experience. With constant one-on-one attention from teen volunteers, the children enjoy field trips, music, swimming, arts & crafts -- in a very spirited camp environment.
